

Belgian Relief Ships Encounter Mishaps at Sea

LONDON, May 3.—Two steamers under charter by the American commission for relief in Belgium, have met with mishaps at sea. The British steamer Hendonhall has been sunk and the Swedish steamer Fridland has been damaged and is being towed into Blackdeep, at the mouth of the Thames. Both vessels sailed from Portland, Maine, for Rotterdam with relief supplies for the Belgians.

A dispatch received by wireless Tuesday afternoon from the Dutch steamer Batavia IV, said the Fridland was sinking. Another wireless from the Batavia IV, this evening, said:

"We are near the Long Sand lightship with the Fridland. We will bring her into Blackdeep at the mouth of the Thames."

The Fridland has on board 7,000 tons of wheat.

RECOVERY OF NEW JERSEY WOMAN

Due to Lydia E. Pinkham's
Vegetable Compound.

Bridgeton, N. J.—"I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound for inflammation and other weaknesses. I was very irregular and would have terrible pains so that I could hardly take a step. Sometimes I would be so miserable that I could not sleep a room. I doctored part of the time but felt no change. I later took Lydia E. Pinkham's Vegetable Compound and felt a change for the better after the second day. I took it until I was in a good healthy condition. I recommend the Pinkham remedies to all women as I have used them with good results."—Mrs. Milford T. Cummins, 24 New Street, Bridgeton, N. J.

Such testimony should be accepted by all women as convincing evidence of the excellence of Lydia E. Pinkham's Vegetable Compound as a remedy for the distressing ills of women such as displacements, inflammation, ulceration, backache, painful periods, nervousness and kindred ailments.

Progressive Convention to be Staged
After National Meets
Are Held.

International News Service: INDIANAPOLIS, May 3.—The progressive state convention will not be held until June 22, after the republican and progressive national conventions at Chicago, the state committee announced Tuesday. Delegates to the state convention, which was set for May 24, will meet on that date in district meetings instead and elect delegates to the national convention. The postponement means a bit of "watchful waiting" on the part of the Indiana progressives—waiting to see whether the national convention nominates Theodore Roosevelt.
